

THE BRETHREN ANNUAL FOR 1897.

The Brethren Annual or Church Year Book for 1897 is now in process of preparation. The Almanac part will be printed from plates, and on the same plan as last year. Aside from the Almanac there will be twice as many pages of other matter as last year. The material for these pages is now being gathered. Every organization and enterprise in the Brethren Church will be represented in this Annual. The book will contain from 40 to 50 pages and will be the most complete Church Year Book ever issued from the office. It is very desirable that the ministerial list in this Annual should be absolutely correct. The only guide we have to go by is the last Annual. If your name does not appear in it, or does not appear correctly, *please so inform us*. Send us your name and address, otherwise the list will be the same as in the last Annual. Please give this matter your prompt attention.

Remember Both. *First.*—All matter pertaining to the business of the office should be addressed, and all money made payable, to Brethren Publication Board, or A. B. Gnagey, Ashland, Ohio. *Second.*—All matter intended for publication, should be addressed to A. D. Gnagey, Ashland, Ohio.

ASHLAND UNIVERSITY.

We call special attention to the announcement on page 12, of the Ashland University Finance Committee. It is a lucid statement of the attitude of the National Conference toward the University, and it should have the respectful attention of every member of the Brethren Church. "What shall we do about it," you ask. There is but *one thing* to be done, and that is to *raise the money and pay the debt*. Let those churches which have not yet raised their apportionment, go to work at once and raise it. There is only one way to do a thing and that is *to do it*. It is right that it *should* be done, it *can* be done, therefore let it *be* done.

KING'S CHILDREN.

Concerning the King's Children and other Young Peoples' Societies in the Brethren Church we will have something to say in next week's EVANGELIST. At this time we wish to make an announcement referring more particularly to the King's Children paper. Beginning with the next issue (October) *King's Children* will be an eight page paper, given to the

work of the young people. Brother J. O. Talley, of Milledgeville, Ill., is editor, and he invites all the young people of the church to contribute to its columns. All matter intended for publication is to be addressed to J. O. Talley, Milledgeville, Ill. All matter pertaining to business, subscriptions, moneys, etc., should be addressed to this office. Please remember this. It is very important. Sample copies of the October issue, with club rates and list of premiums, will be sent to all our Young Peoples' Societies. The subscription price of the paper remains the same, 25 cents a year; in clubs of ten or more, 20 cents each.

FOR EVANGELIST READERS.

Upon taking possession of the publication interests the new Board finds that there are a great many over due accounts on the books, and not sufficient cash on hand to pay maturing bills; this is a somewhat embarrassing state of affairs to the Board and as it is not possible to run the office without money delinquents will appreciate the importance of remitting at once. The church will expect us to do business on business principles, we can do so only by the patrons of our publications adhering to the same standard; now let us all go into business together and by prompt remittances help each other in particular, and our publishing interests in general.

JOHN DUKE MCFADEN.

We are fellow workers with God, divine artists. We are kept humble and patient, for we behold an ideal before us to which we cannot attain. We are kept trustful and persevering, for we know that God will perfect that which concerneth us. Christ Jesus, the true light that lighteth every man that cometh into the world, is our pattern. He is the divine example for each one of us. In him we are complete.—*Hugh Macmillan, D. D.*
